Research Project Intern : [\(Github\)](#)

Mumbai, India

IISER Mohali (in collaboration with Suraj Informatics)

June 2025 – Present

- Developed a **CI/CD DevSecOps** pipeline integrating **Jenkins, SonarQube, Nginx, and Nexus**, achieving automated build, test, and deployment workflows that **reduced deployment time by 80 %**.
- Implementing **source code quality checks, artifact management, and security scanning** to enhance software reliability.
- Collaborating with teams from IISER Mohali and Suraj Informatics to design a scalable DevSecOps infrastructure for research and enterprise applications.

EDUCATION

Fr Conceicao Rodrigues Institute of Technology, Vashi

Mumbai, India

Bachelors of Technology in Computer Science, CGPA - 8.67

Aug 2023- Present

PROJECTS

Machine Learning & Data Science

- **Resume Scorer:** Utilized **SpaCy** and **MinMaxScaler** to extract **keywords and normalize** scores for unbiased candidate evaluation. [\(Github\)](#)
- **Computer Vision Suite:** Engineered real-time applications including **Sign Language Recognition, Face Filters, and an Image Emotion Detector.** [\(Github\)](#)
- **Predictive Analytics:** Developed models for **Fraud Detection, Spam Classification, and House Price Prediction.** [\(Github\)](#)
- **Virtual Air Drum & Media Tools:** Built a **virtual air drum** application [\(Github\)](#) and a **YouTube Scrapping web app** [\(Github\)](#) using **Streamlit**.

AI & Generative AI Systems : GitHub

- **AI Agent Ecosystem:** Developed **intelligent agents** using **LangChain** and **n8n** for automated study planning and content generation.
- **Specialized Chatbots:** Launched a **News Telegram Bot, an AI Breakup Recovery Agent** for emotional support, and an **automated Email Generator.** [\(Github\)](#)
- **Educational Tools:** Built an **AI Interview Question Generator** and an **Offline Study Companion** to facilitate learning without internet access.

Web & Mobile Applications

- **Altereats:** Created a **Flask-based meal planner** that recommends **healthy recipes** based on dietary requirements and user preferences.

CERTIFICATIONS AND LEADERSHIP

1. **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional** - [Link](#)
2. **NVIDIA: Fundamentals of Machine Learning** - [Link](#)
3. **Technical Team Member, E-Cell:** Developed event websites and provided technical support for Sparkathon and E-Summit
4. **Ladies Representative, NSS**
